PRINCIPAL'S REPORT: TONY DEROSA

-RRW: ran for 3 days this year vs 5, events went well. We will continue with the reduced schedule going forward. Career day: presenters are all set. 7th grade teachers will monitor rooms from now on. No parent room volunteers will be requested due to school safety protocols. Parents will only coordinate food going forward.

PRESIDENT'S REPORT: NICK RUDICH

-Teacher grants: clay roller for art and 6th grade atlases were purchased and both have arrived. Best Buddies will get a lump sum put into an account for the director to use as expenses arise throughout the year. Another grant request was received from a Math teacher for supplies, but Tony deemed the supplies a school cost, not a PTO cost; and the request for storage was filled with existing items at the school. Turkey Trot: Orrin secured a chocolate milk donation and will pick it up and bring it to school. Nick ordered 1500 donut holes and will deliver them to school. Nick will also get GF and allergy alternatives. Options for the food donation pick up/loading food bins: Nick borrowed 17 large bins from Dawgs football which Family Sharing will load into their truck. Reviewed MSO event details with Orrin. Webster Madness planning session: Scheduled for December 14.

TREASURER'S REPORT: ANDY PEIPKORN

-Non Fundraising Fundraiser has yielded \$6043.01 thus far; we budgeted for \$4000. MSO event paid for, and still waiting for backdrop to be ordered. No other expenses are anticipated for the remainder of 2022.
